Peachester Road, Beerwah

Rosemary Lloyd

Rosemary is the Local Bank Manager of the recently opened Westpac Branch at Beerwah and has over 25 years experience. She is one of 600 Local Bank Managers nationally and aspires to making a difference in the world of banking by listening to and caring for her customers. "I am passionate about customers and am proud to work for Westpac"

"I am dedicated to personalised service and getting to know the customer and their big picture," she said.

Rosemary and her team are involved with the local community at Beerwah, by volunteering their time and offering services where required. Support has been given to Beerwah high and Primary schools and their School Chaplains.

Rosemary joined with the other local Westpac bank managers on the coast in volunteering in Brisbane after the floods.

"I have a fun loving dedicated team of specialists and supportive family who help to juggle the demands of my busy work life.

I strive to get the 'work life balance' piece right, which is crucial for happy staff and in turn happy customers. Working smarter rather than harder and learning to switch off and relax in leisure time is also key to a happy team."

Rosemary enjoys travelling, reading and spending time with family and friends.
